Exeter NH 03833

# *NOTICE OF VACANCY*

---

Date of Notice:            March 1, 2016

Position:                  **Water Treatment Plant Operator – Full Time**

Pay Range:                 $19.72 – 26.27 per hour (14 step pay plan) & excellent benefits

Closing Date:              Open until filled

Anticipated Appointment:   April 4, 2016

**Requirements:**  Position performs technical and maintenance functions associated with the water treatment facility.  Responsible for the efficient and effective operations of the water treatment plant during an assigned shift.  Maintains appropriate local, state and federal report forms in accordance with rules and statutes.  Acquires appropriate water samples and conducts test procedures, as required.  Inspects plant equipment and machinery, making adjustments as needed and performs proper cleaning and maintenance tasks.

Must communicate effectively both in writing & verbally.  Have the ability to interact respectfully and tactfully with others.  Be able to gain a working knowledge of applicable state, local and federal regulations, procedures & statutes.

Position works in both a plant setting as well as outdoors.  Physical demands include standing, sitting, stooping, and walking at various times, the completion of manual labor tasks, lifting of heavy objects (above 25 lbs.), and work around fumes, chemicals and toxic substances.

**Qualifications:**  High School diploma or GED required and a NHDES Grade I Treatment Plant Operator license.  One to three years of related experience.  Additional wastewater treatment experience or licensing preferred.  NH Class B Driver's License with air brake certification required.
